Advice for Commercial Makers

This is a product design downloaded from the downloadopendesign.com website. Whilst it is widely distributed as a download, it is not licensed for commercial use.

This means that you can't use it for commercial purposes, which include selling and/or being paid to fabricate it, without first obtaining a commercial license.

For information on how to obtain a commercial license to (re)sell or fabricate the design, which ensures that the original designer will receive a royalty, please contact the designer: Chen Pingjuan, 1044208582@qq.com

Disclaimer

The use of this open design download should be based on your own due diligence and you agree that downloadopendesign.com is not liable for any success or failure of your actions you take to modify, produce, assemble or repair your products.

You expressly agree to hold the designer harmless for any property damage, personal injury and/or death, or any other loss or damage that may result from your use of the information or designs provided.

The user further agrees that use of this design and all products or content contained herein are at your own risk and there is no warranty expressly made herein.
